Approval of Minutes:

- Minutes from the September meeting minutes were read and accepted.
- Treasurers Report reviewed. *See attached.*

Committee Reports:

- Bird Committee – Gene finalized stocking pick up schedule for the year. Thanks to everyone who volunteered.

Application for New Members:

1. Coner Anderson
2. Jordan Perrucio
3. Tomasz Wycech

Unfinished Business:

- Tree at the river was too large to move. Members made an access road around it instead.
- Nick S and Mike L will take care of adding doors to the skeet house once completed Nicky will paint the exterior.
- Field path cutting is complete. Thanks to everyone who helped with this.
- John Deere tractor has a cracked radiator and slowly leaking. Stanley S will take the tractor in the winter and repair.
- We still need to look at the pipes down by the river. Eventually they need to be replaced as the pipe is not long enough and the road access is getting narrow.
- Club has opted to not move forward with pheasant tags for club property. Please use your membership card that Lael sent out to your home.
- Brothers will use millings at Franks & the river to help patch and repair any roads. Milling starts in Cromwell on 10/18 and Brother's will charge \$180/ hour to truck and lay millings at both locations.
 - Eventually we need to see how we can get large rock down to Swede Lane and fix the entrance. Lael will also have Brothers look at that potentially.

New Business & Correspondence:

- Skeet machine battery is not working. Ron will investigate if a charging issue or needs battery

Good of the Club:

- None

The meeting was adjourned at 7:19 pm.
