Unfinished Business:

- Few members will be going down to the river on 9/6 to decide how to handle the large tree that is down. They will either remove or build road around tree for future access.
- Road to Franks is in rough shape. Ron will take a look at and see what he can do with his loader for now.
 - The club voted to appropriate \$3000 dollars to have millings put down in Franks & the river road when the town decides to mill Nooks Hill. This will be a long-term solution similar to what was done at the club house hill.
- Still looking for volunteers to cut paths in the fields for the upcoming hunting season.

New Business & Correspondence:

- The club agreed to have new membership cards issued to every member for the upcoming session. Lael will be ordering new cards and will provide to members at the annual meeting.
- Ron Berggren will be following up with the state to see if we need to be tagging pheasants on club grounds. We will discuss further at the annual meeting once Ron has an update.
