### Unfinished Business:

- In the spring we need to get a few members together to help trim the trees along the road of club house hill.
- Large tree down at the river and needs to be removed. Roughly 7-8ft in diameter we may need to hire a professional to cut and remove.
- Lock at the river is faulty and needs to be replaced.

### New Business & Correspondence:

- At the annual meeting on October 5<sup>th</sup> a new rule will be proposed regarding members who are forfeiting their duck hole.
  1. "Any member forfeiting their duck hole will notify an officer of the club. The officer will announce prior to the meeting that a lottery will take place and any member interested must attend in person and enter their name to the drawing to be selected."
- The following rule proposed on October 5<sup>th</sup> was voted on and approved 13-4 by the members.
- Upon approval of the rule, Jim Frazier's duck hole was opened for the lottery raffle. Names were drawn from a bucket by Lael Libera and Bryan Swol was selected.
- New rule modifications were proposed based on the passing of the vote for the duck hole lottery.
- New proposed rules to be voted on at the November meeting:

1. If a member participates in the duck hole lottery and already has an existing hole and wins the lottery, they must forfeit their previous assigned hole.
2. Any existing duck holes can be passed on from assigned owner to an immediate family member only.

**Good of the Club:**

- Nick Sienna will take a look at over the next few days to see if it could be moved with his machine.
- If anyone is willing to weld on the lock, please reach out to Mike Swol to pick up new lock.
- Swede Lane needs to be cut once dry enough to get a tractor down there.
- Thanks to Stan Swol for cutting around the club house, skeet field and Franks.

The meeting was adjourned at 6:57 pm.
